Welcome to the Inaugural Aesthetic Medicine & Surgery Conference & Exhibition (AMSC) Europe - Amsterdam 2026!

Dear Sponsors,

It is with immense pleasure and great anticipation that we extend our warmest welcome to you for the very first European edition of the **Aesthetic Medicine & Surgery Conference & Exhibition (AMSC)**, taking place in the vibrant city of Amsterdam on the **28th and 29th of May, 2026**.

As Scientific Directors, we are incredibly proud to inaugurate AMSC Europe, building upon the remarkable success and distinguished legacy of our previous conferences. This marks a significant milestone in our commitment to fostering excellence, innovation, and collaboration within the global aesthetic medicine and surgery community.

For two intensive days, Amsterdam will serve as the premier hub for **learning, networking, and discovery**. Our meticulously curated scientific program is designed to **deliver unparalleled insights into the latest advancements, techniques, and technologies shaping the future of our field**. From groundbreaking surgical procedures to cutting-edge non-invasive treatments, and from advanced anatomical understanding to ethical practice considerations, AMSC Europe will offer a comprehensive and enriching experience for every participant.

Beyond the rich educational content, **AMSC Amsterdam 2026** also provides an exceptional platform for connecting with peers, engaging in stimulating discussions, and exploring innovative solutions presented by leading industry partners in our exhibition hall.

We are confident that this inaugural European edition will not only meet but exceed your expectations, empowering you with new knowledge, fostering invaluable connections, and inspiring new avenues for growth in your practice.

Thank you for joining us on this exciting journey. We look forward to welcoming you to **Amsterdam** for what promises to be an unforgettable and highly impactful event.

Warm regards,

AMSC : Tri-Continental Global Platform for Aesthetic Medicine & Surgery

AMSC (Aesthetic Medicine & Surgery Conference & Exhibition) is more than just a conference; it's a global movement dedicated to uniting the dynamic fields of aesthetic medicine, dermatology, and surgery. Our mission is to foster unparalleled education, drive innovation, and promote collaborative exchange among professionals worldwide.

At its core, **AMSC** serves as a vital bridge, connecting the intricate worlds of surgical and non-surgical aesthetics. We believe that by bringing together diverse expertise and perspectives, we can collectively advance patient care, refine techniques, and explore groundbreaking technologies that redefine the future of our specialty.

For years, **AMSC** has established itself as a beacon of excellence in Asia, and in 2026, we are thrilled to embark on a new chapter by expanding our presence to Europe. This strategic expansion broadens our reach and enhances the global dialogue within aesthetic medicine and surgery.
